

Sale Name: 1862-TN NEW Surplus Electric Parts, Fittings & Conduit (25 - 30 semi loads)
Online Auction

LOT 1 - LOT: NEW SURPLUS ELECTRIC PARTS & CONDUIT

Description

Hours for Loading:

- Monday - Thursday, 9:00 AM - 4 PM
- Friday, 9 AM - 3 PM

Time Allowed:

- 2 - 3 weeks maximum

PREVIEW Point of Contact:

- DeWayne Raines, 865.241.2231 office
- dewayne.raines@cns.doe.gov
- Please call or email DeWayne to schedule viewing appointment

Point of Contact (after the auction ends) will be assigned with UPF Construction.

NOTES:

- 25 - 30 Truckloads, conservative estimates
- conduit will be loaded on flatbed trailers
- crates will be loaded on van trailers
- UPF will load on to the conveyance but it is the carrier's responsibility to secure the load.

- If loaded on to van trailer, material will be loaded on the edge of the conveyance and carrier will need to provide pallet jack to move within the van.
- Buyer will only be allowed to uncrate / recrate if safety is an issue, ie crates deteriorated.

Quantity: 1
